

Application for Approval or Amendment of A Maintenance Programme

- Entries should be typed or printed in block letters. Full model and component designations are required (refer to the manufacturer’s data plates).

Note: Applicants should clearly understand that unless all the entries on this form are completed accurately, the approval of the Maintenance Programme may be delayed.

- The charges associated with the approval of the Maintenance Programme will be invoiced to the registered owner of the aircraft described in Section 3.
- Applications must be submitted to LYCAA not less than 30 days prior to the amendment date required
